

# Scratch Card: Record a Sequence

Keep track of your progress by  
ticking off the boxes below:

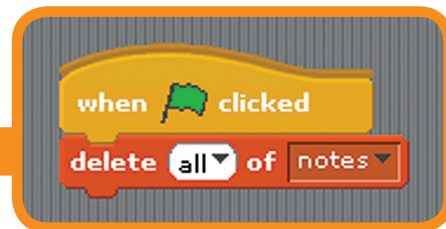

## 1. Get ready

Press **Make a list** to make a new list.

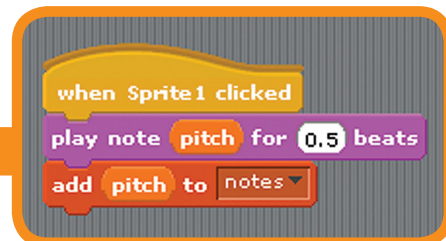

☐

## 2. Try this code

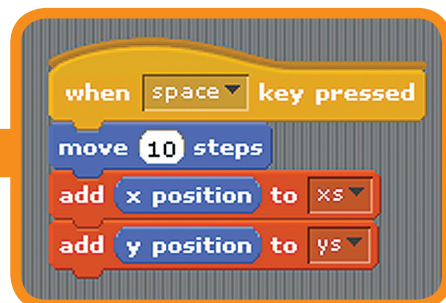

Empty the list when you start.

☐

4. Every time something happens, add it  
to the list.

☐

5. If you want to record several things, use  
one list for each.

☐

6. See the **"Play back a sequence"** card for  
how to replay what you've recorded.

☐
